STUDENT JOURNAL

PREK - 3RD

Dear Parents/Caregiver,

This student journal is designed for pre-K students, 3rd graders, and all the students in between. That's a BIG range of skills and abilities. Therefore, each page provides both a drawing and a writing prompt for each topic. Some kids will draw on each page, some kids will practice their writing and narrative skills one each page, and some kids will do a little bit of both. It's kind of like a Choose Your Own Adventure Journal! Any way you go about it, please enjoy journaling (and drawing) about these important "Believe & Achieve" topics.

Dear Kids,

This journal is all about you! What you like to do, who you want to be when you grow up, who you look up to, your goals and dreams...and more. Fill in your name below, turn the page, and let's get started!
